## Meet the Horizon team at the March Open Surgery

---

**Horizon Nuclear Power is inviting local people to meet the team at its next Open Surgery on Monday 18 March.**

No appointments are needed for the drop-in session, which will take place between 1pm and 6.30pm at Cemaes Village Hall. The Horizon team will be available to talk to local people and answer any questions they might have about the Wylfa Newydd Project.

**Richard Foxhall, External Affairs Manager Wales at Horizon, said:** “Our Open Surgeries are a great way for us to meet local people and talk to them about the Wylfa Newydd Project. We know that some people may still have questions following the recent decision to suspend the project, so we encourage anyone to come along and meet the team if they’d like to learn more.”
