Last chance to meet Horizon's team this year

Horizon Nuclear Power will hold its final Open Surgery of 2016 on Monday 19 December at The Bull Hotel, Llangefni from 2.30pm – 6.30pm.

The December Open Surgery will give local people the opportunity to meet the Wylfa Newydd team, and find out about the Project. The monthly drop-in event is open to anyone and there's no need to make an appointment.

Richard Foxhall, Horizon's Stakeholder Relations Manager, said: "We've had another busy and exciting year. In 2016 we completed our second stage of formal consultation, welcomed our first intake of apprentices, created a fantastic 3D Wylfa Newydd rollercoaster game for this year's, and supported local organisations with over £100,000 in donations.

"2017 will be even busier, so please call in to find out more about the Project and enjoy a mince pie with us in the run up to Christmas."

Horizon's Open Surgeries will restart in January 2017, details of these can be found online at www.horizonnuclearpower.com/wylfa-newydd-have-your-say.

Notes to editors:

- Horizon Nuclear Power was formed in 2009 to develop new nuclear power stations in the UK. The company was acquired by Hitachi Ltd of Japan in November 2012.
- Horizon's development on Anglesey will represent a multibillion pound investment in North Wales, creating high-quality, long term employment opportunities and unlocking lasting economic and social benefits for the region.
