

Activity 2

Suggested websites to use for researching different climates in the UK:

Daylight and Sunlight

www.united-kingdom.climateemps.com

Wind

<http://www.weatheronline.co.uk/weather/maps/city?CONT=ukuk&MAPS=over&LANG=en&LAND=&LOOP=0®ION=&UP=0>

Set the table to look at the **climate** for the **year** on the '**climate robot**' for the city you choose.

Wave

<http://www.oceanenergycouncil.com/ocean-energy/tidal-energy/>
